Passover for All Time

Tuesday, March 16 at 7:15 PM With Rabbi Sari Laufer

As timeless as the Passover narrative is, the celebrations of Passover and the rituals of the seder are blends of every age in Jewish history. Each generation has added their voice and their own meanings to this sacred celebration. And so the question left for us is: How do we do this today? How do we look to our ancient narratives and face the modern world at the same time? How do we enrich and transform the seder for a new age? How do we add our voice and our stories to those that came before us?
